## I. Terminology to Know

- “Builder grade” Items are products that are mass produced and stylistically neutral.
- “Commercial-grade” Items are those that were designated by the manufacturer, manufactured and primarily marketed for installation and use in commercial operations.
- “Covered Property” is the address stated on your Agreement Coverage Summary Page.
- “Domestic-grade” Items are those that were designated by the manufacturer, manufactured and marketed solely for installation and use in a residential single family dwelling.
- “Item(s)” is the specific appliance(s), unit(s), or system(s) that is explicitly listed as covered on your Agreement Coverage Summary Page. Examples include: air conditioning unit, heating unit, water heater, individual appliances such as refrigerator, dishwasher and ceiling fans.
- “Mechanical Failure” occurs when a covered Item becomes inoperable and unable to perform its primary function, subject to the limitations and conditions of this Agreement.
- “Necessary or Required Upgrade” is a replacement improving: manufacturer specification; energy efficiency; or Item performance due to external circumstances (such as statutory mandated system modifications and/or regulatory requirements).
- “Proper Operating Condition” means the Item was correctly located within the Covered Property was properly installed to code at the time of installation, was fully connected, was capable of successfully performing all operations commensurate with the manufacturer’s original design intention, and did not pose any hazard to life or property.
- “Service Professional” is defined as a licensed trade specialist or otherwise qualified to assess or repair damage to the covered Items. Service Professionals are either independent contractors or employees of Cinch Home Services, Inc.
- A “Simple Mechanical Test” of the covered Item means the ability to turn the Item off and on, verifying the Item operates without irregular sounds or smoke that may indicate a problem.
- A “Visual Inspection” of the covered Item is considered to mean the viewing of an Item to verify that it appears structurally intact and without damage or missing parts that would indicate inoperability.

## II. Types of Properties Covered

This Agreement covers single family residences including: an apartment, condominium, townhouse, villa or manufactured home used solely for residential purposes. To be eligible, a manufactured home must be permanently secured to the ground on land you own or located in a division operated similar to a condominium, where maintenance is provided.

This Agreement provides coverage under a special exception for special purpose group homes devoted to housing persons with mental and physical disabilities, as those terms are defined by the Americans with Disabilities Act at Title 42 of the United States Code Section 12102(2)(A).

**This Agreement does not cover:**

- **Mobile homes**
- **Multifamily residential property of more than two-units**
- **Any dwelling used in whole or in part for commercial purposes, residences used as business that causes additional wear and tear on covered Items, or an address zoned as business, commercial or industrial including non-profit organizations**
- **Homes listed or registered in any historical register, including without limitation the National Register of Historic Places**

Whether or not this Agreement covers an apartment condominium unit, manufactured home, or multifamily property (duplex), any repairs and/or replacements are limited to the Items solely used by and located and serviceable within such single unit (unless specified otherwise). **No common area Items shared by non-warranted residences or units will be covered by this Agreement.**

## III. When Your Coverage Applies

1. **We agree to pay the covered costs to repair or replace the Items listed as covered on your Agreement Coverage Summary Page if any such Items become inoperable during the term of this Agreement due to Mechanical Failure caused by routine wear and tear. We are not responsible for repairing or replacing Items, assembly or parts that do not contribute to the primary function of that Item or required for mechanical functionality.** The definitions of the specific Items that may be listed on your Agreement Coverage Summary Page as covered, as well as other limitations on coverage and other terms and conditions, are listed below.
2. We will cover Mechanical Failures relating to the mechanical parts and components of those Domestic-Grade Items that were in the Covered Property and in Proper Operating Condition on the Agreement effective date.
3. We will cover Mechanical Failures due to rust and corrosion and sediment.
4. **When completing a covered repair or replacement, we will not pay the cost to:**
  - **dismantle, remove and dispose the defective Item,**
  - **recapture refrigerant,**
  - **reclaim refrigerant, and**
  - **dispose of refrigerant.**
5. We will cover an unknown pre-existing Mechanical Failure provided the failure could not have been detected by Visual Inspection or Simple Mechanical Test. In certain instances, we may require documentation from you during a claim review.
6. **The decision to replace rather than repair Items is solely our option.** Should we choose to replace an Item, the replacement shall:
  - be the base model that meets all applicable federally mandated minimal manufacturers' standards,
  - perform the same primary function, and have a capacity comparable with the covered Item, when available with domestically assembled units.
7. When replacing systems and appliances:
  - **We are not liable to provide exact match in color, dye, lot, material, type or brand.**
  - **We are not liable to match any feature of a covered Item that does not contribute to the primary function of that covered Item.**
  - We will be responsible for the installation of the replacement Item but not for the cost of the construction, modifications, carpentry or transitional work made necessary in order to accommodate the replacement, nor for any costs to upgrade or modify Items for any reason except as otherwise specified in this Agreement.

- With respect to kitchen/laundry appliances, we will make reasonable efforts to provide replacement Items of similar features, capacity, capability, color/finish and efficiency, but not for matching exact dimensions, brand or color of the original unit, when available.
8. When making repairs, we reserve the right to rebuild existing parts or components and/or install aftermarket, rebuilt or refurbished parts or components.
  9. Alternate Claim Dispositions:
    - (a) In some instances, in lieu of authorizing the repair or replacement services for a claim made under this Agreement, we will elect to remit a payment to you as the final disposition of the subject claim (hereinafter a “**Claim Buyout**”). **The decision to elect a Claim Buyout rather than replacing or repairing Items is solely our option.** The Claim Buyout amount will be strictly calculated based on: (i) our costs for the parts required to repair the Item to return it to Proper Operating Condition; or (ii) our costs to replace Items; and (iii) our estimated labor costs for our in-network Service Professional to perform the repair or replacement services.
    - (b) In some instances, where our estimated combined costs of diagnosis and the performance of the repair or replacement services exceeds a stated dollar limit in this Agreement, we will not perform the repair or replacement services; but will instead elect to remit a payment to you in the amount equal to the applicable dollar limit stated in this Agreement as the final disposition of the subject claim. If the applicable stated dollar limit in this Agreement is an aggregate amount, then all prior claims paid under this Agreement will be subtracted from the applicable stated aggregate dollar limit, with the remainder to be payable to you.
    - (c) Our costs for parts, replacement Items and Service Professionals’ labor are substantially less than typical retail costs and Claim Buyout payments will not be adjusted to match the costs/pricing of out-of network Service Professionals to perform the same repair or replacement services and or the retail price of parts or replacement Items.
    - (d) Any payment remitted to you pursuant to this Agreement will be less the applicable deductible amount if not yet paid for the applicable claim.
    - (e) Any payment remitted to you will not include any costs not covered under the terms of this Agreement.
    - (f) **Should we remit payment to you for the repair or replacement of an Item and you: (i) do not repair the Item; (ii) only repair an Item that was diagnosed to be replaced; or (iii) replace an Item with a used or refurbished Item, the subject Item will be excluded from further coverage under this Agreement and all subsequent renewals. We reserve the right to inspect repaired and/or replaced Items.**
  10. **Determination of the operating condition as of the Agreement effective date, and the nature of any failure, will be made by us based upon the professional opinion of remote diagnosis for connected systems and/or appliances or our direct employees, considering but not limited to, the Service Professional’s diagnosis.**
  11. **We will use reasonable efforts to provide an in-network Service Professional to service your claim(s). In limited circumstances, and in our sole discretion, we may authorize your claim to be serviced by out-of-network service provider. In the event you have received authorization to use an out-of-network service provider for a particular claim, we will require the following: (i) the diagnosis of the Item must be promptly communicated to us; and (ii) a detailed estimate/quote (inclusive of all parts, equipment and labor costs) from the out-of-network service provider, which must be submitted to us for determination of coverage under this Agreement prior to any work be initiated.**

Based the information we receive from the out-of-network service provider, we will advise you of the services covered under the terms of this Agreement, inclusive of the estimated value of such coverage as well as the costs not-covered by this Agreement. Prior to your claim being approved for coverage under this Agreement:

- (a) We may communicate directly with the out-of-network service provider to obtain additional information with respect to the Item diagnosis and the estimated repair or replacement services required to return the Item to Proper Operating Condition.
- (b) In the event you have a separate replacement deductible for an Item, you will be required to remit payment prior to the replacement Item.

All stated dollar limits in this Agreement, will apply to the services to be performed by the out-of-network service provider. The limitation of liability provisions of this Agreement will apply to the out-of-network service provider to same extent as it would with an in-network Service Professional. We are not liable for any damages that result from an out-of-network service provider’s performance. **We are not responsible for any expenses you incur without our PRIOR express consent/authorization.** We will not reimburse you for any costs associated with

unauthorized repairs, replacements or work performed by out-of-network service providers that are not covered by the terms of this Agreement.

Once our records reflect that you have acknowledged and accepted the conditions set forth above, the repair or replacement services to be performed by an out-of-network service provider, will be approved by us. Note that any payment remitted to you pursuant to this Agreement will be less the applicable deductible amount if not yet paid for the applicable claim.

- 5. You will be responsible for and must remit payment for any and all amounts related to the repair and/or replacement services performed under the Agreement that are not expressly covered or are listed as exclusions under the terms, conditions and provisions of this Agreement.**
6. We rely on local in-network Service Professionals, availability of parts to perform repairs, and inventory of Items to issue replacements in order to fulfill the terms of this Agreement. We reserve the right to pass through any surcharges incurred by us in providing coverage under this Agreement to you, including surcharges for parts, delivery, and labor. You will be advised of any surcharges that you are responsible for paying prior to the incurrence of any surcharge.
7. You are responsible to provide access to the covered Item(s) for the Service Professional to diagnose, obtain approval for, and/or complete repairs for covered Mechanical Failures. You are responsible to pay us and/or our Service Professional any service charge and additional charges assessed by our Service Professional resulting from your failure to provide access and/or for missed appointments caused by you.
- 8. No services will be performed if the Service Professional is prevented from entering the Covered Property due to the presence of animals, insects, unsafe conditions, or if the covered Item is not easily accessible. In any such event, the deductible is nonrefundable.**

1. **ARBITRATION:** All disputes, controversies or claims of any sort, arising out of or in any way relating to this Agreement, its negotiation, and the Services provided pursuant to it, whether based in contract, tort, regulation, or any other legal or equitable theory (collectively "Disputes"), shall be resolved at the consumer's choice by settlement, or in their entirety by individual (not class-wide nor collective) final and binding arbitration, except for claims subject to the jurisdiction of the small claims court (or your state's equivalent court), as these claims are not subject to arbitration and shall proceed only on an individual (non-class and non-representative) basis in such court as stated above. Arbitration shall be conducted within the geographical limits of the applicable federal district court where the Covered Property is located, or such other location upon which both parties mutually agree, and administered by a mutually agreed upon arbitration service. The Commercial Arbitration Rules and Supplementary Procedures for Consumer-Related Disputes of the American Arbitration Association or similar such rules (the "Arbitration Rules") in effect at the time arbitration is demanded by either party shall govern the arbitration proceeding and the selection of one neutral arbitrator to preside over the proceeding. The arbitrator, and not any federal, state or local court or agency, shall have exclusive authority to decide all Disputes and all questions related to the interpretation, applicability, enforceability or formation of these Dispute Resolution provisions, including any claim.
2. **CLASS ACTION AND JURY TRIAL WAIVER:** Any arbitration under this Agreement will take place on an individual basis; class, mass, consolidated or combined actions or arbitrations or proceeding as a private attorney general are not permitted. The parties are each waiving the right to trial by jury. The parties are further giving up the ability to participate in a class, mass, consolidated or combined action or arbitration.
3. **OPT-OUT:** Arbitration is not a mandatory condition of your contractual relationship with us. If you do not want to be subject to these Dispute Resolution provisions, you may opt out of these Dispute Resolution provisions by notifying us in writing of your desire to opt out of these Dispute Resolution provisions, either by (1) sending, within 30 days of the date this Agreement is executed by you, electronic mail to [compliance@cinchhs.com](mailto:compliance@cinchhs.com), stating your name and intent to opt out of the Arbitration Provision or (2) by sending a letter by U.S. Mail, or by any nationally recognized delivery service (e.g., UPS, Federal Express, etc.), or by hand delivery to: Cinch Home Services, Inc.
